Marcellus Shale Coalition & Ben Franklin’s Shale Gas Center Partner to Make Technology Showcase a Success!

The Marcellus Shale Coalition’s (MSC) Shale Gas Insight™ 2012 Conference was held in Philadelphia, PA on September 20-21, 2012. Assisted by Ben Franklin’s Shale Gas Innovation & Commercialization Center, the conference also included a Technology Showcase, which was among a variety of scheduled pre-conference activities.

One hundred attendees heard eight-minute presentations by vendors who spoke on topics related to their respective technologies. A two-minute Q&A session followed each speaker and exhibit space was provided at the conference’s networking reception.

The presentations made by each vendor will soon be available on the Shale Gas Insight website at www.shalegasinsight.com. These vendors include:

- Advanced-Tec Materials
- Altelia, Inc.
- ARCADIS-U.S., Inc.
- Capstone Turbine Distributor/E-Finity Distributed Generation
- Eagle One Green Solution, LLC
- Epiphany Solar Water Systems
- HydroConfidence, Inc.
- New Logic Research, Inc.
- Pioneer Energy Products, LLC
- Produced Water Absorbents, Inc.
- TM Filtration
- U.S. Seismic Systems, Inc.
Kathryn Klaber, MSC President, said, “The coalition is very pleased with the success of this inaugural event, underscoring the innovation and technological advances of one of the most sophisticated and cutting edge industries in the world.”

**About the SGICC**

The Ben Franklin Shale Gas Innovation and Commercialization Center ([www.sgicc.org](http://www.sgicc.org)), an initiative of Ben Franklin Technology Partners/CNP is designed to harness innovation and new technologies as a means to maximize the economic return to Pennsylvania’s citizens from the Marcellus and Utica shale formations. The Center will also identify, support and commercialize technologies and early-stage businesses that enhance responsible stewardship of the environment while properly utilizing this transformative energy asset.

**About Ben Franklin Technology Partners**

Ben Franklin Technology Partners/CNP, an initiative of the Pennsylvania Department of Community and Economic Development and funded by the Ben Franklin Technology Development Authority, provides operational assistance, entrepreneurial support, and investment capital to emerging tech-based companies and small, existing manufacturers for the purpose of creating and retaining jobs in Pennsylvania.
