

## In Summary.....

- Industry insights and involvement critical
- Wide range of research and entrepreneurial interests
- Some positive alignments

Bill Hall, Director, Shale Gas  
Innovation and Commercialization  
Center

# Next Steps

- Continue the conversation
  - SGICC to host topic specific seminar series, web based (?)
  - Continue to be a focal point for Innovation
  - Bridge the research/entrepreneurial gap to commercialization
- Continued industry partnership is vital
- Research focus on Industry needs
